AN ART STUDIO TOUR
TRADITION

Here we are again! Our Art Studio
Tour of 2025 includes 31 Artist
Studios and 4 Art Centers. In 1992
a group of artists near White Rock
Lake formed this public event that
has grown exponentially in
popularity and size.
Visit local artists who work in an
area of Dallas known for natural
beauty, native forests, and the
historic White Rock Lake. Each
studio differs depending on the art
created within, including painting,
printmaking, photography,
illustration, sculpture, jewelry, glass,
ceramics, and more.
This is the first Dallas art tour of
home studios, a true "Dallas art
legend." The tour is self-guided,
FREE, and provides art lovers of all
ages a fun and educational
weekend experience!
